Pursuant to the requirements of the Authority's By-Laws, Notice is hereby given of a Special Board Meeting of the Authority to be held on Thursday, August 18, 2022 at 8:30 a.m. Additionally, Notice is hereby given of the Regular Board Meeting of the Authority to be held on Thursday, August 18, 2022 at 10:00 a.m.

Due to necessary precautions relating to Coronavirus (COVID-19), in accordance with the Gubernatorial Disaster Proclamation and current conditions, and consistent with the legislature's recent amendments to the Open Meeting Act, 5 ILCS 120/7(e), which suspend the requirement of a physical quorum, the August 18, 2022 Special Board Meeting and the Regular Board Meeting will be held telephonically.

There will be live audio feed of the committee meetings available on the Tollway website at www.illinoistollway.com while in session. Members of the public who wish to make public comment may participate *via* audio conference call by calling 1-844-291-6362 and using the access code: 169-7002.

Dorothy Abreu, Chair

An audio file will be available five business days after the meeting at www.illinoistollway.com, and written meeting minutes will be available at www.illinoistollway.com after their approval at the next regular Board meeting.

Upon notification of anticipated participation, the Tollway will endeavor to ensure that individuals with disabilities can participate in this meeting. Persons with disabilities who plan to participate and need accommodations to do so should contact the EEO/AA/ADA Officer of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010, at least two days in advance of the meeting, and if possible, the Tollway will provide reasonable accommodations. Related information, which may or may not be applicable to this telephonic meeting, can be found on the Tollway's website: <https://www.illinoistollway.com/about/board-information/>.

Vendor: Walsh Construction Company II, LLC; Chicago, IL

Description: Roadway and Bridge Reconstruction

Location: Tri-State Tollway (I-294) MP 20.7 to MP 22.7 (Mile Long Bridge)

Change Amount: \$628,500.00

Reason: This item represents a \$628,500 amendment to a previously approved construction change order/extra work order for compensation for an additional fuel cost adjustment due to an increase in fuel cost since the time of bid. The Contractor elected to make the fuel cost adjustment option a part of the contract which allows for payment to the Contractor or credit to the Tollway due to fluctuations in the cost of fuel based on a monthly fuel index. The amount of the change order is estimated and only actual cost will be paid.

Impact on Completion: No current impact.
