CLAIMS

Allied World (the insurer for the current program) underwrote the initial \$75 million program with an expected loss amount of \$417,000

To date, we have had one claim that is expected to settle below \$2,800

2024-2027 NEW PROGRAM HIGHLIGHTS

New insurance company starting 1/1/2024

Deductible going from \$100,000 to \$25,000

No collateral needed for new program

No loss fund required

2024-2027 NEW PROGRAM HIGHLIGHTS

Expiring ROCIP program 3-year premium for \$75 million in contract value was \$3.8 million.

The renewal of this program for \$70 million dollars in contract value is estimated \$1,602,251.00.

The reduction in premium, deductible and loss fund are a result of increase in carrier competition, negotiations, excellent loss history and overall success of this program

A construction worker with dreadlocks, wearing a white hard hat with a headlamp, safety glasses, and a high-visibility orange and yellow safety vest, is smiling while using a power tool on a wooden structure. The worker is wearing grey gloves. In the background, there is a road with a red octagonal 'STOP' sign, a silver car, and a concrete bridge structure. The scene is outdoors with trees and a clear sky.
